What's New in Version 1.2.5.2

CMT Self-Service Archive Migrator (SSAM) 1.2.5.2 fixes an issue where an additional character was being appended to the SMTP address when replying to an email.

This release was verified in the following environment:

- Workstation OS: Windows Server 2012 R2 Standard
- Notes: Notes 9.0
- Outlook: Outlook Professional Plus 2013

Release Notes 1.2.5.2

- An issue where an additional character was being appended to the SMTP address when replying to an email has been resolved. (4054)

Previous Updates

The following items were resolved in previous releases (defect numbers are in parenthesis):

1.2.5.1

- An issue where the mail9 template was missing from the Archive Identification Methods section of the End User Migration settings has been resolved. (2548)
- An issue where the migration failed on files with accented characters in the filename has been resolved. (3954)

1.2.5

- An issue where if the First and/or Last Name contains special characters, the migration log file would not attach to the SSAM person document after migration completed has been resolved. (2771)
- An issue where the Archive Migration Selection window displayed the incorrect size of local archives after manually selecting archives when the Lotus Notes Regional Setting was set to 'Germany' has been resolved. (2822)

About Binary Tree

Binary Tree is a singularly focused global provider of migration software and solutions for Lotus Notes, Microsoft Exchange, Active Directory, and Windows Server environments. Since 1993, Binary Tree has enabled more than 6,000 customers to migrate more than 30 million email users, and facilitated some of the most complex migrations on the planet. Its software solutions are available for migrating from Exchange 2003/2007/2010/2013 and Lotus Notes to on-premises and online versions of Microsoft Exchange, as well as migrations of Active Directory and Windows Server environments. Binary Tree is a Microsoft Gold Partner, an IBM Advanced Business Partner, and is one of Microsoft's preferred vendors for migrating to Microsoft Office 365. The Company is headquartered outside of New York City with offices in London, Paris, Stockholm and Sydney. For more information, visit us at www.binarytree.com.
